

Pranav Sharma

Software Developer | Java | Spring Boot | React | SQL
+91 81122 85338 | job.pranav.sharma@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

Computer Science & Engineering student focused on backend development and software engineering, with hands-on experience building full-stack applications using Java, Spring Boot, Python, React, SQL, and REST APIs. Experienced in developing secure software solutions and mentoring students in programming and computer science.

TECHNICAL SKILLS

Programming Languages: Java, Python, C/C++, SQL **Backend Dev:** JDBC, REST APIs, CRUD **Tools:** Git, Postman, Linux

PROJECTS

- PS Library – [GitHub](#)** 2026
Java | Spring Boot | Spring Security | MySQL | JWT | Razorpay
• Built a full-stack library system with JWT authentication, role-based access, book management, borrowing, reservations and integrated Razorpay payments and Spring Mail for subscription processing and email-based password recovery.
- PS Linky – [Live Demo](#) | [GitHub](#)** 2026
Java | Spring Boot | Spring Security | React | PostgreSQL | JWT | Docker
• Built and deployed a URL shortener with JWT authentication, custom URLs, redirection, click tracking, analytics and deployed a Spring Boot and React architecture using PostgreSQL, Docker, Render, and Netlify.
- PS HMS – Hospital Management System (Ongoing)** 2026 – Present
Java | Spring Boot | React | Spring Security | MySQL
• Developing a hospital management system for doctors, patients, appointments, pharmacy, administrative workflows and building a React dashboard with role-based navigation and a secure Spring Boot REST API.

EXPERIENCE

- Tutor** Feb 2025 – Present
Preply Remote
• Teach Python, Java, MySQL, C/C++, cyber security fundamentals to international students through one-on-one sessions.
• Mentor and design structured learning paths and practical coding exercises for beginner and intermediate learners.
- Backend Intern** May 2026 – Jul 2026
Wise Tech Labs Jaipur, Rajasthan, IN
• Working as a Back End Developer, contributing to server-side development and building robust, scalable backend solutions.
- Backend Intern** May 2026 – Jul 2026
SSNAM Global Pvt Ltd Jaipur, Rajasthan, IN
• Developing and maintaining backend systems and APIs, driving efficient data processing and business logic for the organization.
- Java Intern** Jun 2025 – Jul 2025
Learn and Build Jaipur, Rajasthan, IN
• Developed small Java-based applications while practicing debugging and object-oriented programming concepts.

EDUCATION

- Global Institute of Technology, Jaipur (Affiliated to Rajasthan Technical University, Kota)** Jaipur, Rajasthan, IN
Bachelor of Technology (B.Tech) in Computer Science & Engineering Aug 2024 – Present
